PIN No: LIT-79

Date: October 27, 2017

By: Karen Alvarado

Issue: APEX Units

Subject: PSC Motors NLA and literature update

PSC motors are no longer available for APEX units. We are offering EC motors for the same price as the previous PSC motors. Please refer to the latest price list WLP 10-2017 for details. The price list will be available online at <https://witt.htpg.com/pricing/>.

The APEX brochure has been updated to reflect these changes. Additional changes to the APEX literature WT-XNT-0617A (available online) include:

- Removal of the medium temperature electric defrost units
- Addition of a Department of Energy Annual Walk-in Energy Factor ratings table

Version WT-XNT-1017A will be available online soon. This revision updated the AWEF ratings table.

Please refer to the revised brochure for nomenclature change and product details. The brochure is available online only at this time at <https://witt.htpg.com/product-details/witt-APEX-top-mount-system/>.

ACTION:

Please distribute this information to your Reps and customers as required. Retain this notice for future reference.

Thank you.
