*Subject:* **Ceiling Temp –  
Dimension Change**

Be advised that due to a past change in fan guard design, the overall height dimension for Ceiling Temp model evaporators has been modified: increased by 1”.

**Action Taken:**

This change is reflected in the most recent release of the product literature, Publication 119.7. A copy is attached for your reference. This updated document will be posted to the Russell website, [www.russellcoil.com](http://www.russellcoil.com), and will shortly be available in printed form.

Please place this bulletin in your catalog and retain this notice for future reference.
