Issue: 05/01/11

Subject: **Dual-Flo
Dimension Change**

Be advised that due to a past change in fan guard design, the overall height dimension for Dual-Flo model evaporators has been modified: increased by 1”.

Action Taken:

This change is reflected in the most recent release of the product literature, Publication 450.3. A copy is attached for your reference. This updated document will be posted to the Witt website, www.witthtp.com, and will shortly be available in printed form.

Please place this bulletin in your catalog and retain this notice for future reference.
