

Walk-in COOL

Energy-efficient solution for small to medium walk-in coolers and freezers

NEXT-GEN MINICON 1/2 to 6 HP Condensing Units + NEW NEXT-GEN ALL-TEMP Low Profile Unit Coolers

Our all-purpose Next-Gen All-Temp Low Profile Unit Coolers and award-winning Next-Gen MiniCon Air Cooled Condensing Units form the ideal split refrigeration solution for small to medium walk-in coolers and freezers. Both Next-Gen units are designed for high efficiency, energy savings, easy service access, multiple refrigerants, and versatility. For more than 70 years, Russell has delivered advancements in commercial refrigeration. Now, we've created the perfect pair for all-purpose walk-in cooling.
