

The Russ-E-Con

WORTH ITS WEIGHT IN GOLD FOR HIGH-PERFORMANCE
CONDENSING UNIT APPLICATIONS AT LOW COST.

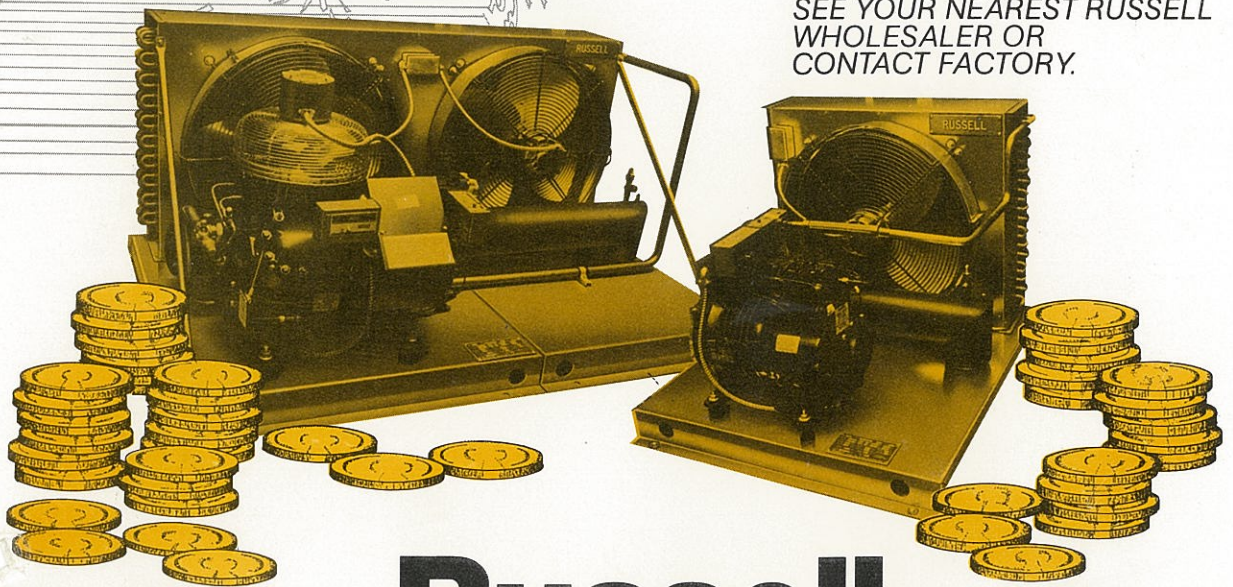

No more prospecting for the condensing unit that does it all but doesn't cost much. The Russell RUSS-E-CON introduces an economy condensing unit for high, medium, and low temp applications that's packed with features but low in price.

Designed for minimum power usage, RUSS-E-CON can be matched to a variety of evaporators. Twenty standard models, from 3 to 25 H.P., can be equipped with many options, adapting to specific requirements. Compactly designed for ECONOMY and VERSATILITY, and low in cost...RUSS-E-CON. Worth its weight in gold.
