RUSSELL COIL COMPANY

11711 EAST SLAUSON AVENUE/SANTA FE SPRINGS, CALIFORNIA 90670

PHONE: AREA CODE (213) 693-3751 / (LOS ANGELES) (213) 723-4519

TERMS OF SALE

ORDERS — All orders must be in writing and will be binding when our order acknowledgment is mailed. Orders are accepted subject to strikes, fires, accidents and other causes beyond our reasonable control. Acceptance of your order is conditioned upon an agreement to hold us harmless by reason of delivery days.

FREIGHT — All products are shipped F.O.B. Factory with full freight allowed on shipments over 150 lbs. Routing and selection of carrier will be made by RUSSELL. For special routing requests, any differences between such routing and the minimum freight costs to the nearest freight station will be charged.

RECEIPT OF SHIPMENT — Our Bill of Lading is acknowledgment by transportation company of accepting shipment in good condition. Responsibility of shipment is that of carrier. Should there be damage, customer should insist that extent of damage is itemized on freight bill. Customer should then file damage claim with carrier. Notify RUSSELL, if there are any shortages. Shortage claims must be acknowledged in writing within 10 days from receipt of shipment.

WARRANTY — We guarantee our products to be free from normal defects in workmanship and material when shipped from our factories. Under this warranty our obligation is limited to replacing or repairing any part F.O.B. our Factory, Santa Fe Springs, California within one year from date of original shipment. On parts not manufactured by us such as motors, controls and valves, we extend to the buyer the same guarantees made to us by the manufacturer.

LIMITATION OF LIABILITY — We shall not be held liable for damages for any breach of warranty in an amount exceeding the purchase price of the piece of equipment or part thereof which is found to be defective. Warranty shall be void if equipment has been subjected to abuse, misuse, negligence, low-voltage, free chemicals in system, accident, excessive pressures, outward damage, or hidden damage while in transit, or is operated contrary to the manufacturer's or RUSSELL'S recommendation, or if the serial number has been altered, defaced or removed; nor shall RUSSELL be liable for damages when unauthorized service is performed, or parts other than genuine RUSSELL parts are used for repairs.

CANCELLATIONS — Permission to return any part or product must be obtained from RUSSELL. Credits for new material accepted for return will be at the original sales price or current market price, whichever is lower, less handling and restocking charges of not less than 10%. Buyer must prepay all transportation charges. Any costs for putting material in condition for resale will be charged to the buyer. Shipments of material returned without factory authorization or not properly tagged with Material Return number or not "prepaid" cannot be accepted by our Receiving Department. Obsolete products or material made to special order are not returnable.

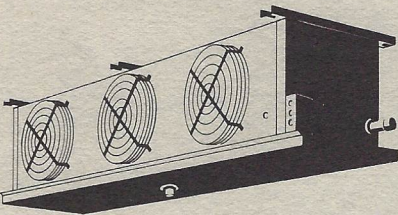

TAXES — Local, State, Federal or foreign taxes must be added to our prices where applicable.

TERMS — All shipments Sight Draft Bill of Lading or C.O.D. unless prior credit approval is arranged.

All prices, designs and specifications are subject to change without notice or without incurring any obligation. The right is reserved to correct any stenographic or clerical errors.

FREON RECEIVERS

RUSSELL Freon receivers can be supplied with two types of liquid level indicators. Type "A" is the PHILLIPS LEVEL EYE arrangement as shown on drawing. (See Russell Receiver catalog sheet.) List price for each Phillips Level Eye welded on receiver is \$46.00. Type "A" is for gauge glass valves at no additional charge. We can furnish HENRY No. 5024 gauge sets at an additional list price of \$57.00 or the HENRY No. 6024 gauge set at an additional list price of \$91.00

For Multi-Circuit Receivers Add \$100.00 List for Each Add'l. Circuit.

16"	x 36"	306.00	150	351.00	168

Prices do not include motors or starters.
Standard flat filter sections and throw-a-way filters included in housing prices.

- NOTE:
- For 10 Fins per inch add 6% to above coil prices.
For 12 Fins per inch add 12% to above coil prices.
 - Add 10% cleanable fittings one end water coils.
Add 18% cleanable fittings each end water coils.
 - For Copper Fins, 8/inch, add \$13.00 List/sq. ft. face area/row deep.
 - For Non-Freeze (distributing type) Steam Coils, add 35%.
 - Non-Freeze Coils in excess of 72" finned length have steam inlet headers on each end, with condensate header on one end only.
 - For weights uncrated Aluminum Fin Coils, figure 4 lbs. sq. ft. face area/row deep.
For weights uncrated Copper Fin Coils, figure 8 lbs. sq. ft. face area/row deep.

FAN MOTORS LIST PRICES—STARTERS NOT INCLUDED

Horse Power	1/4	1/3	1/2	3/4	1	1½	2	3	5	7½	10	15

TIME CLOCK

Clock is rated up to 35 amperes. No starter is required where the load does not exceed 20 amperes. On 230 V 1 Phase, under 20 amperes, follow wiring diagram for single phase. Under 20 amperes on 3 Phase, clock also can be used by wiring the heater circuitry to only 2 wires of the 3 Phase lines. On either application, if the load is in excess of 20 amperes, a magnetic contactor must be used.

REPLACEMENT PARTS (Continued)

All standard models "W" and "X" coils have:

1/6 hp fan motors, 1050 rpm
1827 CW 4 fan blades, 1/2" bore

All standard model "Y" coils have:

1/4 hp fan motors, 1051 rpm
2027 CW 4 fan blades, 1/2" bore

All standard model "A" coils have:

1/47 hp fan motors, 1550 rpm
831 CW 4 fan blades, hubless

All standard model "B" coils have:

1/47 hp fan motors, 1550 rpm
1031 CW 4 fan blades, hubless
